One thing I will notice

Choose one moment to notice with your therapist. You can write a little or talk at the session. You do not have to complete everything.

Local client code _____ Date _____ Session number _____

01 What we chose

Which moment would I like to notice in a way that suits me?

02 Opportunity

When might this suit me? We can choose by talking.

03 Help

What tool or person could help, if I choose?

04 Recording

What happened and how did I feel? I can write a little or talk.

05 If it was not possible

If it did not fit or was not possible, what would I like us to change?

06 For the next session

What matters for me to tell or explore at the next session?
