My plan for a harder time

Choose one situation with your therapist. You can write or talk, skip a question, or stop.

Local client code _____ Date _____ Session number _____

01 What tools helped, and which were less suitable?

02 What change in my routine or functioning would I like to notice?

03 What small first step did I choose with my therapist?

04 Whom will I ask for support, and how can I reach them?

05 When will we agree that further professional help is needed?
