Understanding emotion in context

Choose one situation with your therapist. You can write or talk, skip a question, or stop.

Local client code _____ Date _____ Session number _____

01 What happened, and what were the background conditions?

02 What emotion and response did I identify without judging them?

03 What need or important concern might be connected?

04 What is known about the situation's safety, and what needs assessment?

05 What response or support would address the need and context?
