Comparing planning with what happened

Practice chosen together with the therapist. Write a little or talk at the session, even if you could not try it.

Local client code _____ Date _____ Session number _____

01 What part of the plan happened?

02 What is the gap between estimated and needed time?

03 What dependency or constraint emerged during the work?

04 What change in step order helped?

05 What will I learn for next time without burdensome tracking?
