MOOD-02 | Adults

Observing a barrier and support

Practice chosen together with the therapist. Write a little or talk at the session, even if you could not try it.

Local client code _____ Date _____ Session number _____

01 When might I observe one barrier?

02 What conditions and support might make a difference?

03 What became possible, and what remained limited?

04 What does this observation suggest, and what remains unknown?

05 What adaptation or question will I bring to the next session?
