Exploring an interpretation without minimizing difficulty

Choose one situation with your therapist. You can write or talk, skip a question, or stop.

Local client code _____ Date _____ Session number _____

01 What current situation would I like to bring to our conversation?

02 What do I know, and what did I infer then?

03 How did this affect my feelings and what I chose to do?

04 Is there another way to understand the situation without denying the difficulty?

05 What response or support suits me now?
