Choose one situation with your therapist. You can write or talk, skip a question, or stop.

Local client code _____ Date _____ Session number _____

01 Under what pressures would I like to use what I learned?

02 What early signs matter to me?

03 What tool suits each situation, and what could be an alternative?

04 Whom will I ask for support, and what would I like to share?

05 When will I review the plan, and what situations require more help?
