Learning from a chosen listening conversation

Practice chosen together with the therapist. Write a little or talk at the session, even if you could not try it.

Local client code _____ Date _____ Session number _____

01 What understanding did I check during the conversation?

02 What did the other person correct in my wording?

03 Was validation kept separate from agreement to an action?

04 What message of mine received room, and what did not?

05 Is continuing the conversation suitable, or should the setting change?
