Settings that support choice and privacy

Choose one situation with your therapist. You can write or talk, skip a question, or stop.

Local client code _____ Date _____ Session number _____

01 What notification or setting affects my day?

02 What do I want to receive, and what to keep private?

03 What one change will I explore with a clear explanation?

04 How will I preserve essential contact and access to help?

05 Who will I ask for support without sharing login details?
