ANX-01 | In-session worksheet | Older adults

My worries and what I want to preserve

We will describe the experience and its effects on your life, in writing or conversation at a comfortable pace.

Client code _____ Date _____ Session number _____

01 When does worry appear?

Situations or changes I want to bring to the conversation.

02 What is on my mind?

What am I afraid will happen and what is still unclear?

03 How do I feel and respond?

Feelings, body sensations and what I do in response to worry.

04 What is affected in my daily life?

Activities, relationships or rest that matter to me.

05 What helps and what support would I like?

Past experience, conditions and any help I choose.

06 What would I like to change or restore?

A personal direction chosen together, based on my preferences and current conditions.

Mindful Path
