ANX-01 | In-session worksheet | Teenagers, approximately 12–17

My worries and their effects

We will map a concern and its effects on daily life. Identifying details can be omitted.

Client code _____ Date _____ Session number _____

01 In what situations does worry appear?

One or more contexts, and what changed around me then.

02 What am I afraid will happen?

Worry topics or images; what is still unknown?

03 How do I feel and respond?

Feelings, body sensations, actions or avoidance as I experience them.

04 How does this affect my life?

Studies, relationships, sleep, leisure or something else that matters to me.

05 What already helps and whose help will I choose?

Tools, conditions, personal strengths and desired support.

06 What would I like to work toward?

My goal for functioning or participation, even if I still worry sometimes.

Mindful Path
