ANX-02 | Follow-up practice | Children, approximately 6–11

Noticing what follows my response

Together we will choose a response to notice. I do not need to change it to fill in the sheet.

Client code _____ Date _____ Session number _____

01 What did we agree I would notice?

An ordinary moment and a comfortable way to remember it.

02 What happened and what worried me?

A few words about the situation and worry.

03 How did I respond?

What did I do or not do then?

04 What happened immediately and afterwards?

What happened to my feelings and something I wanted to do?

05 What will I bring to our conversation?

What helped, what was hard and what do I want to ask?

Mindful Path
