ANX-03 | Follow-up practice | Children, approximately 6–11

Our choice and what happened with it

We will write what we agreed in the session, then return to share what happened.

Client code _____ Date _____ Session number _____

01 What worry did we discuss?

A few reminder words are enough.

02 What did we know and not know yet?

What was clear when we chose?

03 What did we choose and who will help?

A step or response agreed with the therapist.

04 What did I do and what happened?

I can also write that I did not try and what made it hard.

05 What would I like to learn or ask?

What fitted and what would we like to change together?

Mindful Path
