ANX-03 | Follow-up practice | Older adults

Returning to my choice and learning

We will examine what was agreed and what was possible. Complete in conversation if preferred.

Client code _____ Date _____ Session number _____

01 What did we discuss?

The worry I chose to work on with the therapist.

02 What was known then?

Information relevant to the choice and what remained open.

03 What did we agree I would try?

A step or response under conditions and with help I chose.

04 What actually happened?

What did I do, and what enabled or hindered it?

05 What did I learn or what changed?

An experience, outcome or new information worth mentioning.

06 What would I like to explore together?

What fits next steps and what needs changing?

Mindful Path
