ANX-03 | In-session worksheet | Adults

From available information to a chosen response

Explore practical needs, personal influence and uncertainty. This distinction supports conversation, not a rigid test.

Client code _____ Date _____ Session number _____

01 The chosen worry

What am I afraid will happen, and in what context?

02 Available and missing information

What is established, assumed or needs relevant clarification?

03 An actual problem or need

Is action, professional input or a response by a particular time needed?

04 Personal influence and limitations

What can move forward with which resources, and what is outside my control now?

05 Choosing an approach together

A solution step, needed information or work on my relationship with worry and uncertainty.

06 Plan and review timing

What was agreed, who will help and what would require adjustment or further inquiry?

Mindful Path
