ANX-03 | In-session worksheet | Older adults

Choosing a response to my worry

Together we will explore what is known, needed and still open, without dismissing concern or practical need.

Client code _____ Date _____ Session number _____

01 What concerns me now?

One worry I choose to discuss.

02 What do I know and not know?

What actually happened and what am I afraid will happen?

03 What practical need is involved?

What needs a response and who is suited to help if needed?

04 What can I influence?

What can be done, and what depends on conditions or other people?

05 What approach will we choose together?

A practical step, needed inquiry or work on worry itself.

06 When will we check again?

What will we try, what support would I like and what if circumstances change?
