ANX-04 | In-session worksheet | Adults

Planning a gradual activity with the therapist

A record of individualized, agreed professional planning within the therapist's training; not a stand-alone protocol.

Client code _____ Date _____ Session number _____

> Plan with a therapist after suitability assessment. This is not an instruction for independent exposure or giving up necessary protection and support.

01 A meaningful activity and its purpose

What would I like to develop in life, and what is avoided or delayed now?

02 The expectation to explore

What am I afraid will happen, and what information would be relevant to describe?

03 The agreed step and its scope

What, when and where, after professional suitability assessment and consent.

04 Suitability, safety and support conditions

What conditions, adjustments and help will remain, and how were they arranged?

05 Ways to change, postpone or stop

What was agreed if willingness, ability or circumstances change?

06 Learning and follow-up

What will we record, and when return to the therapist before deciding next steps?
