ANX-05 | In-session worksheet | Children, approximately 6–11

What did I learn and what do we still not know?

We will return to the activity planned together. I can learn even if I still worried.

Client code _____ Date _____ Session number _____

01 What did I think would happen?

The worry we wrote before trying.

02 What really happened?

What I saw or did, without guessing others' thoughts.

03 What was similar and different?

What helped and what else might explain what happened?

04 What did I learn and what remains open?

Something small about this case and a question that remains.

05 What will we choose next with the therapist?

We can revisit, change, wait or choose another direction.
