ANX-05 | In-session worksheet | Older adults

What does this experience teach me?

Together we will explore the expectation, outcome and next options, even with worry remaining.

Client code _____ Date _____ Session number _____

01 What did I expect to happen?

Return to what I said or wrote before trying.

02 What actually happened?

What did I notice and how did I experience the situation?

03 What was similar and what differed?

Which parts matter to me in this comparison?

04 What else had an influence?

Conditions, help or another possible explanation.

05 What did I learn and what do I still not know?

Learning about my case, without requiring complete certainty.

06 What would I like to choose with the therapist?

Next steps suited to my wishes, conditions and our information.

Mindful Path
