A personal reminder of learning and access to help

A convenient summary from the full plan, according to agreements with the therapist.

Client code _____ Date _____ Session number _____

> A reminder for continued work; not an emergency plan or full risk assessment.

01 Personal direction and goal

What do I want to make room for even when worried?

02 A familiar pattern or sign

What will alert me to return to tools or seek assessment?

03 A suitable tool already tried

What might help here and under what conditions?

04 Support and contact route

A person or service I chose and the arrangements made.

05 If there is no improvement or things worsen

What was agreed about professional contact and plan adjustment?

06 A date or condition for review

When will we assess what helped and what is needed next?
