ANX-06 | Follow-up practice | Children, approximately 6–11

A small reminder of what helps me

Keep this in a place we choose together. It reminds me of help and tools, not a task to manage alone.

Client code _____ Date _____ Session number _____

> A reminder for continued work; not an emergency plan or full risk assessment.

01 What matters to me to do?

Something in my life I want to make room for.

02 How will I know worry is interfering?

A sign I recognize in myself.

03 What helped me and what can I try?

A tool chosen with the therapist that fits this situation.

04 Who will help and how will I ask?

An appropriate adult and a role agreed together.

05 What if it is still hard, and when will we talk?

How do I return to help and conversation without waiting alone?

Mindful Path
