Strengths, support and resources

We will identify abilities and resources to include in the work, alongside difficulties or a lack of help.

Client code _____ Date _____ Session number _____

01 What abilities and experience can I draw on?

A skill, quality or way of acting that has helped me.

02 What gives me interest and meaning?

Relationships, activity, values, culture or faith, as I choose.

03 What helped me cope in the past?

What was useful, and what circumstances made it possible?

04 What support is available, and what support do I want?

Who can help, with what, and what needs to be agreed before making contact or sharing?

05 What adaptations do I need?

Surroundings, time, accessibility, pace or a practical limitation to consider.

06 What can we include in the next step?

An available resource we choose, or missing help we would like to seek together.
