Things and people that help me

We will get to know things I am good at, things that matter to me, and help I feel comfortable with.

Client code _____ Date _____ Session number _____

01 What do I enjoy, and what goes well for me?

Playing, making things, learning, helping others or something else.

02 When have I managed something difficult?

What did I do, and what helped me then?

03 Who can help me in a way that feels good to me?

How would I like to ask for help, and what would I like that person to do?

04 What helps me in my surroundings?

For example, a quiet place, another explanation, a clear order or a break.

05 What strength or help would I like to use now?

We will choose one thing that suits me. I can also say I have not found it yet.
