Core 01 | Adolescents, approximately ages 12 to 17 | Practice between sessions

A small attempt in my chosen direction

We will plan together. After trying, we will record what happened, even if the outcome differed from expectations.

Client code _____ Date _____ Session number _____

01 What will I try, and why?

The chosen action and its connection to my goal.

02 When, where and at what agreed frequency?

We will choose a scope that can actually be tried.

03 What would help me start?

Preparation, a reminder or support I chose.

04 What will I do if the plan does not fit?

An option to reduce or change it, or bring the difficulty to discussion.

05 What actually happened?

What did I try? If I did not begin, what stood in the way?

06 What did I learn, and what would I like to explore next?

Not only whether I succeeded, but what I discovered about the step and its conditions.
