Understand a moment, choose a step

You can answer in writing or conversation with the therapist, at your own pace. Choose one situation you want to understand.

Client code _____ Date _____ Session number _____

> You may focus on one section at a time, ask the therapist for help and stop as needed. You do not have to finish everything at once.

01 What happened?

Briefly describe the situation and what happened in it.

02 What did I think at that moment?

What meaning did I give what happened?

03 What did I feel, and how did I respond?

A feeling or body sensation, what I did and what followed.

04 What was the immediate and later effect?

What happened after the response? What in the surroundings or conditions had an effect?

05 What helped, and what would I like to explore?

Support, conditions or a question to return to in conversation.
