In-session worksheet | Children, approximately ages 6 to 11

What is similar and different in my thoughts?

Together we will choose two moments we can discuss comfortably. I can talk and the therapist can write.

Client code _____ Date _____ Session number _____

01 First moment

What happened that could be seen or heard?

What words or picture came into my head?

02 Another moment

What happened that could be seen or heard?

What words or picture came into my head?

03 What is similar and different between the moments?

Did a similar thought come up? I can also say: I did not find anything similar.

04 How is the thought connected to what I felt and did?

I can choose one moment and describe what happened to me in it.

05 What else would I like to understand?

One question we would like to think about together.
