Practice between sessions | Older adults

The response I chose and what I learned

Together we will choose a step that fits your life and preferences. We will add the outcome after trying.

Client code _____ Date _____ Session number _____

01 When and how will I try?

A suitable time and any help I choose.

02 What might go through my mind?

What sentence or reminder did I choose to take from the session?

03 What step did I choose to try?

What will I do, request or arrange, and what can change if unsuitable?

04 After trying: what happened?

What did I do and what was the effect? I can say I did not try and what made it hard.

05 What helped me and what would I like to adjust?

What did I learn about the step and its conditions, even if an unpleasant feeling remained?

06 What matters to me to bring to the meeting?

A question, discovery or preferred adjustment for next time.

Mindful Path
