CORE-05 | In-session worksheet | Teenagers, approximately 12–17

Choosing an action in my direction

We will plan an action connected to what matters to me, at a scope that fits current conditions.

Client code _____ Date _____ Session number _____

01 What area would I like to develop?

Relationships, studies, interests, independence or another area I choose.

02 What happens now and what would I like to do?

A practical description of the situation and desired action.

03 What is a possible first step?

What exactly will I try, and how can we reduce it if too big?

04 When, where and how much?

A recognizable time and conditions that do not overload me.

05 What could get in the way and what would help?

Support I choose, an adjustment or practical preparation.

06 What do we want to learn and when will we check?

Beyond whether it was done: what fitted and what needs changing?
