Things that help me going forward

Together we will choose a few simple reminders I can return to. I do not have to manage alone.

Client code _____ Date _____ Session number _____

01 What familiar situation might be hard?

One example from my everyday life.

02 What has already helped in that situation?

A tool or action I know and have tried.

03 How will I notice I need help?

Something I notice in my behavior, feelings or day.

04 What will my first step be?

Something small that fits me, or asking for help.

05 Who will help and how?

A person we chose and what we agreed I can ask them.

06 When will we check whether the plan fits?

A date or time we choose together.
