Getting to know you

You can answer in writing or conversation, at a pace and in a way that suits you. You may skip questions and return later.

Client code _____ Date _____ Session number _____

01 What would I like others to know about me?

Interests, relationships, roles or things that give me meaning.

02 What brought me here, and what would I like others to understand?

What is on my mind at this time, and what matters to me to share.

03 Where do I notice the difficulty in daily life?

Routine, relationships, sleep, activity or another area that matters to me.

04 What helps me, and what would I like to change?

Life experience, a personal strength or desired help, and a change that is meaningful to me.

05 How would I feel comfortable working, and what would I like to ask?

Pace, language, accessibility and a support person's involvement according to my needs and choices.
