Core 01 | Children, approximately ages 6 to 11 | Direction and goals

Something I want to move forward with

Together we will choose one goal that feels important to me. We can change the choice later.

Client code _____ Date _____ Session number _____

01 What matters to me?

Something I enjoy, a relationship that matters to me, or something I would like to do.

02 What is it like for me today?

What can I do, and what is still hard for me?

03 What would I like to be able to do?

We will choose an action we can see or describe in words.

04 What would be a small step in that direction?

Something I could try with suitable help.

05 Who or what can help me?

And what might make it hard for me?

06 How will we know I have learned or moved forward?

What will we check together at our next meeting?
