Checking understanding and expectations between sessions

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

01 What became clearer about the meaning of my functional goal?

02 What do I still expect treatment to solve or guarantee?

03 Did I use the explanation to repeatedly soothe doubt?

04 What practical barrier affects participation in treatment?

05 What decision will we leave for our next shared conversation?
