OCD-04 | Adults

# What in the plan needs adjusting

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

## 01 What was or was not done within our shared decision?

## 02 What different conditions emerged during the work?

## 03 Was the boundary between support and participation in a ritual clear?

## 04 What practical or safety question needs reassessment?

## 05 What will we review before changing the work's scope?

Mindful Path
