What matters to change before continuing

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

01 What was feasible under my conditions?

02 What access or pacing need became apparent?

03 Did the chosen accompaniment support my independence?

04 What no longer fits and needs discussion with the therapist?

05 What clarification will I request before the next decision?
