OCD-05 | Adults

# A brief summary of agreed follow-up

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

## 01 What therapist-defined follow-up actually occurred?

## 02 What main detail adds to understanding the attempt?

## 03 Was there a covert response or reassurance request to explore?

## 04 What was the effect on functioning or activity participation?

## 05 What conclusion will we leave open for professional review?
