What we should explore next session

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

01 What part of the treatment agreement was possible under my conditions?

02 What new thing did I learn about coping?

03 Did the help I received match my request?

04 What was hard to record and would I rather say aloud?

05 What should the therapist consider for next steps?
