Reviewing learning without grading myself

Draft for review. Discuss with an OCD-skilled therapist; not diagnosis or instructions for independent treatment.

Local client code _____ Date _____ Session number _____

01 What agreed attempt would I like to review with the therapist?

02 What did I want to explore beforehand without requiring complete proof?

03 What did I notice in my response and actual events?

04 What did I learn even if distress did not fall immediately?

05 What next-step question remains for shared decision?
