OCD-06 | Adults

Mapping a barrier and covert response

Draft for review. Discuss with an OCD-skilled therapist; not diagnosis or instructions for independent treatment.

Local client code _____ Date _____ Session number _____

01 What makes the plan difficult in the chosen context?

02 What overt or covert response may maintain the cycle?

03 How will we distinguish real need, personal values and certainty seeking here?

04 What response substitution or context dependence emerged?

05 What needs professional assessment before changing the plan?
