Reviewing the plan in a new period

Draft for review. Record only follow-up adapted with a therapist; this sheet sets no exercise or dosage.

Local client code _____ Date _____ Session number _____

01 What became clear since the follow-up plan was set?

02 What learning was retained in my current life context?

03 Did a significant change meet the agreed contact criteria?

04 What new circumstance needs assessment rather than automatic treatment repetition?

05 What next-step decisions will we bring to the planned session?
