OCDYC-02 | OCDYC | Child aged 6–7 and a suitable support person

What we noticed together

Child and support person together, as agreed with the therapist. Two child questions and three supporter questions. Spoken answers are welcome.

Local client code _____ Date _____ Session number _____

01 Child: What moment would you like to tell the therapist about?

02 Child: Who was with you then?

03 Support person: What was visible before and after the difficulty, without guessing thoughts?

04 Support person: How were play, leaving home or relationships affected?

05 Support person: What is new or unclear and needs professional assessment?
