> At a first meeting, we can skip reviewing the previous session and practice.

01 How am I arriving at today's meeting?

Feelings, energy or body sensations that matter to me to mention.

02 What has been meaningful since we met?

Something that went well, a difficulty or a change in my surroundings.

03 What happened with what I chose to try?

What did I try, and what did I learn? If I did not try, what got in the way?

04 What matters most to me to move forward today?

Together we will choose a topic or goal for the meeting.

05 How do I feel comfortable working on it?

What would help with pace, how we talk, support or limits on sharing?

Mindful Path
