Core 01 | Adults | Session summary

# Session summary and feedback

We will check what was learned, what was agreed and what is needed to continue in a suitable way.

Client code _____ Date _____ Session number _____

## 01 What matters to me to take from the session?

An understanding, tool or decision that was meaningful to me.

## 02 What worked for me, and what worked less well?

Feedback on the content, how I was treated, the pace and the way of working.

## 03 What step was chosen next?

A brief summary; the full plan is on the practice sheet.

## 04 What still needs clarification or adaptation?

A question, barrier or support to arrange before continuing.

## 05 What would we like to review at the next session?

A topic to follow up, an attempt's outcome or a direction for further work.

Mindful Path
