Core 01 | Older adults | Session summary

What will I take with me from the meeting?

We will summarize what matters and choose what suits the next stage.

Client code | Date | Session number

01 What was meaningful to me today?

An understanding, conversation or choice I want to remember.

02 What helped me, and what was less suitable?

You can also comment on the pace and how we talked.

03 What step did I choose next?

A brief reminder of what was agreed on the practice sheet.

04 What else matters to clarify or adapt?

A question, support or change that will let me continue comfortably.

05 What would I like to revisit at our next meeting?

What would we like to check after the attempt?

Mindful Path
