TRAUMA-02 | Older adults | Conversation support in a proposed CPT pathway

What matters to me in our shared plan

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 What functional change do I want to explore with the therapist?

02 What activity or relationship would I like to strengthen?

03 What timing, access or health conditions need accommodation?

04 What do I want to understand about the proposed treatment and alternatives?

05 Who, if anyone, will I involve, and what information will I share?
