TRAUMA-03 | Children | Conversation support in a proposed TF-CBT pathway

Understanding what happens to me now

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 What do I notice happening to me sometimes now?

02 How did the therapist explain it simply?

03 What is the name of my feeling in that situation?

04 What way of helping did we explore together?

05 How will I say if it feels unpleasant or unsuitable?
