TRAUMA-04 | Adults | Conversation support in a proposed CPT pathway

Tracking a meaning chosen for exploration

Draft for review. Record follow-up chosen with the therapist; do not start trauma processing using this sheet alone.

Local client code _____ Date _____ Session number _____

01 What agreed stuck point did I notice?

02 In what context did it arise and what was its effect?

03 What difference did I identify between event, interpretation and emotion?

04 What question arose about knowledge I had then or the present?

05 What will I bring without trying to decide alone?
