TRAUMA-05 | Adults | Conversation support in a proposed CPT pathway

Learning and questions after the session

Draft for review. Record follow-up chosen with the therapist; do not start trauma processing using this sheet alone.

Local client code _____ Date _____ Session number _____

01 What meaning or question stayed with me?

02 What did I notice from learning, without reconstructing the event?

03 If follow-up was set, what was possible and what was hard?

04 What information matters before further professional work?

05 What will I ask to explore next session?
