TRAUMA-06 | Adults | Conversation support in a proposed CPT pathway

Situation, avoidance and an agreed plan

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 What activity I am missing relates to my treatment goal?

02 What meaning or expectation arises around the activity?

03 What needs assessment about current risk and practical barriers?

04 What application was agreed in treatment and what are its limits?

05 What learning will we examine together afterwards?

Mindful Path
