TRAUMA-07 | Children | Conversation support in a proposed TF-CBT pathway

What I want my adult to understand

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code _____ Date _____ Session number _____

01 Which suitable adult did we agree I can talk with?

02 What do I want them to understand about my needs now?

03 What do I want to say and what will I keep for the therapist?

04 How would I like them to listen or help?

05 What will I do if I want to stop and ask for help?
