TRAUMA-08 | Adults | Conversation support in a proposed CPT pathway

Integrating learning and planning follow-up

Draft for review. Discuss with a trauma-skilled therapist; not diagnosis or independent processing instructions.

Local client code	Date	Session number

01 What meanings or stuck points changed and what remain?

02 What did I learn about the goals and functioning that matter to me?

03 What situations or meaningful dates will we include in follow-up?

04 What support and access to help did we agree as needed?

05 When and under what conditions will we review next steps?
